

# BAN-PT and AACSB Joint Webinar on Quality Assurance, The Future of Higher Education Quality Assurance: Issues and Challenges Amidst Covid-19 and Beyond

The current Covid-19 pandemic situation has urged external quality assurance agencies around the world to adapt to a new normal, especially in their assessment protocol. The webinar will address to the following questions :

- What are the most notable lessons that we learnt from the Covid-19 experience, and
- What is the future of quality assurance post-Covid and beyond
